

KEISER
UNIVERSITY

Benefits of *Living on campus*

Get the Whole College Experience

at a University where YOU come first!

Student Development

Living in the dormitory is about YOU, and about all you can gain from this once-in-a-lifetime experience. We are committed to creating opportunities for you to grow and develop.

- Through programs and interpersonal interactions, we strive to increase awareness to important issues and challenges.
- We support student's civil engagement and community responsibility.

We have opportunities for Leadership, Employment and Engagement

• Dormitory residents have many opportunities to be directly involved in leadership and hold positions within our residential communities, to plan and carry out program activities and to engage university officials on issues of interest and concern on behalf of all residents.

• Our Student Services Department employs students in positions ranging from Resident Assistants (RAs) to Information Technology (IT) support and Office Assistants (OA) throughout our campus.

When you take part in the Keiser University Residential Experience, you will have a once-in-a-lifetime experience! Campus living provides complete access to all the University has to offer and allows you to be fully immersed in the Keiser community.

Friendships and Connections

You will have friends all around who will help you! The connections and memories you make will enhance your own experience and help to build the firm foundation needed for your success.

- Dormitory residents participate in more extracurricular activities, feel more satisfied with their college experience, and interact more frequently with peers and faculty.
- Dormitory residents live and dine in communities where they make connections and develop life-long friendships. These communities help students to find their place on campus and get involved.
- Resident Assistants facilitate events to help our dormitory residents establish connections with other students and staff, and become familiar with available resources.

VIP Service

Our residential program ensures that you get the support you need, with the peace of mind that comes from knowing trained professionals are here twenty-four/seven. We are here when you need us, with trained student staff and live-in professional staff members available to help at the right time.

- 24-hour staffing, support, and services provided by the Department of Resident Life and the Department of Student Services.
- Enhanced safety and security measures.
- 24-hour medical attention at our campus clinic.

Academic Success

Research exploring retention and graduation rates has found a strong relationship between on-campus housing and graduation.

- Studies indicate that on-campus students have a higher graduation rate than peers who lived off campus.
- On-campus students tend to have higher grade point averages than their off-campus peers.
- Faculty offices and classrooms within steps of where students live.
- Access to study areas, resources and tools to help you succeed academically.

Security, Convenience and Twenty-Four/Seven Support

- Security personnel on duty 24 hours a day, seven days a week.
- 24-hour medical care at our Campus clinic.
- Full and convenient access to all that campus has to offer – dining, sports, entertainment, social activities, academic support.
- Maintenance support to ensure any issues are resolved quickly.
- Auxiliary power unit and water supply support our campus during emergencies, ensuring our students remain comfortable, safe, and connected at all times.
